

# Indian Head Massage

This ITEC approved and fully accredited course gives you a thorough training in Indian Head Massage. This is an ancient therapy, which has grown in popularity in recent years, as more and more people experience its benefits. The course includes an in-depth study of the anatomy of the head, neck and face, plus sequential learning of over 50 massage movements in this specialised treatment. This is an excellent qualification to add to the Swedish Massage Diploma and one that allows you to attract more clients to your practice.
