

Payment Options

Payment of Fees

All fees are quoted for each programme described. To enrol and secure a place, you must pay a 25% deposit. You would then pay the balance for the entire course no later than the first day of the first term, unless you want to use one of the payment options described below.

Fee Payment Options

Discount for early payment in full

Discounts on the total fee will be given for payment in full as follows:-

5% discount for payment in full at least 3 months before the start of your course.

2.5% discount for payment in full at least 1 month before the start of your course.

Payment per Term

You can pay the balance due after payment of the deposit in equal amounts at the beginning of each term of the course. If you do this there will be a finance charge of £30.00 per term.

Payment per Month

You can pay the balance due after payment of the deposit in equal amounts at the beginning of each month throughout the course. If you do this there will be a finance charge of £15.00 per month.

Financial Assistance

For information on financial assistance to support your learning, please visit
