

# Short Courses Programme

We have over 23 years experience in training professional therapists and we are dedicated to providing you with the very best continuing professional development. All our courses are fully accredited by the relevant bodies.

We offer:

- Courses to expand your practice, taught by highly experienced therapists and teachers. (Courses marked \* are suitable for non-therapists.)
- CPD accreditation points where appropriate.
- High quality course notes and teaching material.

Courses we are offering in the next few months:

^
