'MESSAGE BOARD'

On occasion we receive enquiries and information regarding vacancies for therapists from clinics requiring staff and would like to promulgate this information to our members. We also hear of the availability of therapy rooms for rent from time to

time. Our website seems an ideal location to 'spread the word'. Any member of the RGG looking for staff, or with information of interest to the membership as a whole can forward this to the Raworth office for the attention of the RGG and it will be included on our Message Board.

CPD COURSES

For further information contact the Raworth Centre on 01306 742150 or the Raworth website
