

Penny Brohn Cancer Care (formerly Bristol Cancer Help Centre) is the leading provider of complementary care to people with cancer and their loved ones. Through the 'Bristol Approach', we provide whole-person care for people living with and beyond cancer and their supporters. We do this by offering psychological, emotional, physical and spiritual support where necessary as well as providing useful lifestyle and self help tools. We offer residential retreats for people to relax and reconnect to themselves in our beautiful centre near Bristol.

A full review and reorganisation of our services has taken place this year and as a result we are now appointing to the following new post based at our inspirational new home on the outskirts of Bristol:

Lead Nutritional Therapist (part-time) – (0.6 wte) Ref: LNT15

Salary: £25-£30,000 pa pro-rata plus benefits

Hours: 3 days per week (22.5 hrs) to be worked over Monday-Thursday by arrangement

Required: A Nutritional Therapist to lead and be part of the Nutritional Therapy team and ensure high quality professional practice for all clients. You will forge sound relationships with other therapy team members as well as the Consultant Nutritional Therapist and the Head of In-House Services in order to drive forward the development of nutritional therapy within our service at Penny Brohn Cancer Care.

We are setting clear and ambitious plans for our future development, so if you have the necessary skills and experience to fill this critical role, plus a genuine desire to make a difference to the lives of those living with cancer, we'd like to hear from you.

You can download a job pack and application form from the 'Work for Us' section on our website www.pennybrohncancercare.org Alternatively you can contact us at the postal address below quoting the job reference number.

Closing date: 5.00pm Wednesday, 9th December 2009

First interviews: Monday, 14th December 2009

Final interviews: Wednesday, 16th December 2009

Penny Brohn Cancer Care, Chapel Pill Lane, Pill, Bristol BS20 0HH
